Homeward Residential, Inc. does not recognize property tax deferrals, repayment plans, or third-party property tax lien transfers and will take the necessary action to pay your property taxes to ensure that our mutually vested interest in your property is not at risk. These programs create a lien on your property that takes precedence over the mortgage lien in most cases and may result in interest at a high rate owed to the tax collector or a third party, payable over the course of the repayment plan or at the expiration of the deferral period. If you are having trouble making your loan payments and are considering or participating in one of these programs, please contact Homeward Residential, Inc. at 1-877-304-3100 so that we may offer you assistance.

FREQUENTLY ASKED QUESTIONS

Homeward Residential, Inc. is providing you with this statement as a detailed analysis of the activity to your escrow account. Deposits into your escrow account are included in your monthly mortgage payment and those sums are held in reserve for future disbursements for your property taxes and/or insurance.

O. Why do escrow deposits change?

When changes in your taxes and/or insurance occur or your escrow account is short, your escrow deposit will adjust resulting in a new monthly payment.

How often are escrowed loans analyzed?

Homeward Residential analyzes contractually current escrowed loans once every 12 months to determine the appropriate monthly escrow deposit. Additional analysis or payment adjustments may be necessary when significant changes in disbursement amounts of escrowed items occur.

What does an analysis reveal?

An analysis determines if adjustments need to be made to the escrow deposit based on escrow disbursements in an upcoming year. If Homeward Residential has disbursed an amount higher than anticipated for any escrowed item(s), generally a shortage is created and a payment coupon will accompany the analysis. If Homeward Residential disbursed an amount lower than anticipated for any escrowed item(s), generally an overage is created and a check may accompany the analysis.

Q. Is a cushion (excess funds) in an escrow account necessary?

Yes, HomewardResidential requires a two month escrow cushion where permitted by state law, to cover unanticipated increases in the following year's tax and insurance bills.

How is a shortage collected?

A shortage is collected over a 12 month period.
